

San Diego Unified School District invites parents, students, teachers and all interested school partners to a timely community conversation...

Preparing Our Students for College & Career

Thursday, June 3, 2010, 6:30-8 P.M.

*Kearny High School Auditorium
7651 Wellington Way
San Diego, CA 92111*

Child care and Translation provided

Learn about college and career readiness for the 21st century. Participate in an interactive community conversation about the importance of providing access to a rigorous education that prepares all students for college, work, and life. Share your input for ensuring college and career readiness for all.
