August 30, 2012

Dear Point Loma Cluster Teachers and Staff:

The Point Loma Cluster Schools Foundation (PLCS) wishes to communicate its concern, academically and personally, to the teaching and clerical staff of our Point Loma Cluster Schools for this year's budget and staffing chaos. It hurts our children, schools and our community.

We wish teachers to know that the PLCS supports your efforts to come up with solutions. If you can design, at your site, a course of action such as autonomy from District policy (witness the La Jolla model, and possibly, Mira Mesa), a charter proposal or forming our own school District, the PLCS would applaud the effort and strive to support a reasonable proposal that is in the best interests of our children, parents, clerical and certificated staff, academic programs and innovation, our athletic program and our community.

***Can our community come together around a common vision and shared voice to develop an improved governance model that will support and enhance our schools?*** We welcome teacher-generated ideas and encourage you to engage in such a discussion. We recognize that changes must be *teacher driven*, *parent supported* and as it relates to autonomy or charter *district approved*.

Sincerely,

POINT LOMA CLUSTER SCHOOLS FOUNDATION
