

Pointers Got Game

The PLHS Pointer Association Boosters invite all future Pointers and their families to our Main Gym on Tuesday, May 18, at 6:00pm for “Pointers Got Game” night.

“Pointers Got Game” night is designed to be our one-stop shop for all things Physical at PLHS, yes we’re talking Band, Drama and Cheer, too. We have over 30 sports teams and activity groups here at PLHS, and the list keeps growing.

This is your opportunity to meet the coaches and ask questions. Most of the teams and organizations have parent Booster groups that provide the volunteer and fundraising support to maintain the high standards we’ve come to expect in the Point Loma Cluster. Boosters will be on hand to answer your questions and share first hand what being a Proud Parent of a Pointer Athlete / Musician / Thespian / Cheerleader is all about.

Athletic packets, clinic and try-out information and other team specific info, will be available. You may also pre-pay for your physical which will be offered on-site at PLHS for \$25 with proceeds from the physicals directly supporting your designated team/group. Most Boosters will have spirit wear on sale so you can cruise thru summer showing Pointer Pride.

If you want to “Play” next year, you do not want to miss this night!

Go Pointers!
