It's no secret that type 1 diabetes is on the rise in children. If current trends continue new cases in kids could double by 2020. Sadly, families in our very own Point Loma Community have been struck by this disease. This is why the Garrison Street of Lights is sponsoring "Cocoa for a Cure" We want to show our support and help our community and the kids and families that are affected by T1D.

**Bring the whole family! Sip hot cocoa and enjoy a tasty treat under the amazing Garrison Street Lights!**
