We're getting ready for **Teen Tech Week** with a **Technology Workshop for Teens!**

Join the Point Loma Branch Library and

The San Diego Futures Foundation(SDFF)

as we launch Teen Tech week on

Thursday, February 20 @ 2:00pm

SDFF in partnership with the Point Loma Branch Library presents a workshop on computers and social media. Workshop includes technical breakdown and rebuild of desktop computers with participating teens.

Participants will help identify pieces of a computer and work in teams to race against one another in rebuilding a Personal Computer.
